TREATMENTS

We provide a range of innovative treatments from the very best in hair care.

Olaplex Repair System Standalone £45 | With any colour service £35

This revolutionary hair treatment works to actively rebuild the broken bonds within the hair that can cause breakage during chemical processes. This is perfect if you have bleached or over processed hair. This transformational product is redefining the way we colour, allowing clients to colour and lighten without compromising condition. Best performed with a blow dry, cut & finish or colour service.

Bumble and bumble weekly treatments £16

These hydrating treatments are best performed weekly, with take-home treatments available.

KeraStraight monthly moisture & protein treatments £35

Designed to repair, rehydrate and renew hair from the inside out. Your stylist will help you decide which one is best for you. Best performed with a blow dry, cut & finish or colour service.

BESPOKE SERVICES

KeraStraight Brazilian blow dry £180 - £270

Innovative smoothing treatment which seals keratin into the hair at high heat making it strong, elastic and shiny. Hair is sleeker and less frizzy – styling time at home is dramatically reduced. This is a same day wash-out formula. Please allow approximately 2-3 hours in the salon and two days before or after any colour service. Sulphate-free shampoo & conditioner must be used following the treatment. Recommended maintenance: every 12-16 weeks.

Great Lengths natural hair extensions from £160

Our ethical real hair extensions can be used for volumising, lengthening, colouring or simply adding texture. Our team of extensionists colour match to perfection, ensuring a natural finish. Great Lengths are applied in a way that doesn't damage, tangle or weigh down your hair allowing you to wash, style and colour just as you normally would.

Consultation essential.
Cut, finish & removal included.
Deposit required.
Recommended maintenance: up to 16 weeks.
